9 or under contract with the community mental health services
10 program. If the individual is clinically suitable for
11 hospitalization, the preadmission screening unit shall authorize
12 voluntary admission to the hospital.

13 (4) If the preadmission screening unit of the community
14 mental health services program denies hospitalization, the

8 screening unit shall provide information regarding alternative
9 services and the availability of those services, and make
10 appropriate referrals.

11 (6) A preadmission screening unit shall assess and examine,
12 or refer to a hospital for examination, an individual who is
