26. Comparison to Governor's Recommendation. The Senate is \$7.0 million Gross and \$7.0 million GF/GP under the Governor.	
Total Changes	\$36,082,600
FY 2017-18 Senate Appropriations Committee Gross Appropriation	\$686,588,900

1. **List of Core Services.** Governor and Senate amended list of departmental core services by updating other titles to conform to Part 1 appropriations. (Sec. 222)
2. **Contractual and Reimbursed Services Revenue.** Governor and Senate added two subsections which allow for receipt and expenditure of revenue for contractual and reimbursed services and provide that such an allowance would be in accordance with SIGMA procedures. (Sec. 226)
3. **Federal Revenues.** Governor and Senate added a subsection to section allowing for the receipt and expenditure of federal funds which would make such an allowance in accordance to SIGMA procedures. (Sec. 241)
4. **Training.** Governor and Senate modified language requiring the development and delivery of training to support law enforcement. (Sec. 401)
5. **Forensic Testing.** Governor and Senate updated language referencing accreditation boards, removed date for when 30-day average turnaround time should be met, deleted alleged duplicative section and moved certain language requiring DNA protocol notices to biometrics section. (Sec. 403)
6. **Biometric Testing.** Governor and Senate shifted DNA protocol notification language from Sec. 403 to Sec. 404. (Sec. 404)
7. **Sexual Assault Kit Analysis.** Governor and Senate changed required report to Legislature date from October 31 to December 1. (Sec. 405)
8. **Traffic Enforcement.** Governor and Senate increased metric requiring a minimum of 400,000 hours of traffic enforcement to 455,200. (Sec. 601)
9. **Intelligence Operations.** Governor and Senate kept intelligence operations language from existing Sec. 701 for specialized services and increase metric requiring an increase of cyber crimes unit cases completed compared to FY 2014-15 from 20% to 40% for FY 2017-18 and added a goal of decreasing backlogs of digital forensic analysis cases until a 60-day turnaround is maintained. (Sec. 701)
10. **Specialized Services.** Governor and Senate pulled specialized services language from Sec. 701 and placed it in Sec. 702. Senate added language requiring a report on law enforcement issues relating to the use of drones, including recommended drone regulation/law enforcement best practices. (Sec. 702)
11. **Emergency Management.** Governor and Senate updated language to reflect SIGMA procedures and increase metric requirement of providing three training sessions to enhance safe response to natural or manmade disasters to requiring four. Senate added language requiring tracking and a quarterly report on status of critical infrastructure vulnerabilities and protection. (Sec. 704)
12. **School Safety Initiative Grant Program.** Governor and Senate eliminated section relating to guidelines for FY 2016-17 one-time appropriation. (Sec. 901)
13. **Advanced 9-1-1 Project.** Governor and Senate eliminated and Senate section relating to guidelines for FY 2016-17 one-time appropriation. (Sec. 903)
