26 diploma and the number of prisoners paroled without a high school

3 prisoner idleness, or some combination of these and other factors.

4 (f) An identification of program outcomes for each academic  
5 and vocational program.

6 (g) The number of prisoners not paroled at their earliest  
7 release date due to lack of a high school equivalency, and the  
8 reason those prisoners have not obtained a high school equivalency.

9 Sec. 908. From the funds appropriated in part 1, the  
10 department shall establish a pilot online career high school  
11 education program to serve up to 400 inmates through a regionally  
12 accredited public or private school district that offers career-  
13 based online high school diplomas designed to prepare adult inmates  
14 for transition into the workplace. The district chosen for the  
15 pilot shall be paid a specified amount per inmate per course  
16 successfully completed by the inmate. The department may use  
17 federal funds provided to educate inmates to expand this pilot  
18 beyond 400 inmates. The department shall provide an initial report  
19 no later than June 1 regarding the progress of the inmates in the  
20 online high school diploma and career certificate programs to the  
21 senate and house appropriations subcommittees on corrections, the  
22 legislative corrections ombudsman, the senate and house fiscal  
23 agencies, and the state budget office.

25 transcribing fund program to operate at its current location. The  
26 donation of the building by the Michigan Braille transcribing fund  
27 at the G. Robert Cotton Correctional Facility in Jackson is

1 acknowledged and appreciated. The department shall continue to  
2 encourage the Michigan Braille transcribing fund program to produce  
3 high-quality materials for use by the visually impaired.

4       Sec. 911. By March 1, the department shall report to the  
5 senate and house appropriations subcommittees on corrections, the  
6 senate and house fiscal agencies, the legislative corrections  
7 ombudsman, and the state budget office the number of critical  
8 incidents occurring each month by type and the number and severity  
9 of assaults, escape attempts, suicides, and attempted suicides  
10 occurring each month at each facility during the immediately  
11 preceding calendar year.

12       Sec. 912. The department shall report monthly to the senate  
13 and house appropriations subcommittees on corrections, the  
14 legislative corrections ombudsman, the senate and house fiscal  
15 agencies, and the state budget office on the ratio of correctional  
16 officers to prisoners for each correctional institution, the ratio  
17 of shift command staff to line custody staff, and the ratio of  
18 noncustody institutional staff to prisoners for each correctional  
19 institution.

20       Sec. 913. (1) From the funds appropriated in part 1, the  
21 department shall focus on providing required programming to  
22 prisoners who are past their earliest release date because of not  
23 having received the required programming. Programming includes, but  
24 is not limited to, violence prevention programming, assaultive  
25 offender programming, sexual offender programming, substance abuse  
26 treatment programming, thinking for a change programming, and any  
27 other programming that is required as a condition of parole.

1           (2) It is the intent of the legislature that any prisoner  
2 required to complete a violence prevention program, sexual offender  
3 program, or other program as a condition of parole shall be placed  
4 on a waiting list for the appropriate programming upon entrance to  
5 prison and transferred to a facility where that program is  
6 available in order to accomplish timely completion of that program  
7 prior to the expiration of his or her minimum sentence and  
8 eligibility for parole. Nothing in this section should be deemed to  
9 make parole denial appealable in court.

10           (3) The department shall submit a quarterly report to the  
11 members of the senate and house appropriations subcommittees on  
12 corrections, the senate and house fiscal agencies, the state budget  
13 office, and the legislative corrections ombudsman detailing  
14 enrollment in sex offender programming, assaultive offender  
15 programming, violent offender programming, and thinking for a  
16 change programming. At a minimum, the report shall include the  
17 following:

18           (a) A full accounting, from the date of entrance to prison, of  
19 the number of individuals who are required to complete the  
20 programming, but have not yet done so.

21           (b) The number of individuals who have reached their earliest  
22 release date, but who have not completed required programming.

23           (c) A plan of action for addressing any waiting lists or

25           Sec. 924. The department shall evaluate all prisoners at  
26 intake for substance abuse disorders, serious developmental  
27 disorders, serious mental illness, and other mental health

1 disorders. Prisoners with serious mental illness or serious  
2 developmental disorders shall not be removed from the general  
3 population as a punitive response to behavior caused by their  
4 serious mental illness or serious developmental disorder. Due to  
5 persistent high violence risk or severe disruptive behavior that is  
6 unresponsive to treatment, prisoners with serious mental illness or  
7 serious developmental disorders may be placed in secure residential  
8 housing programs that will facilitate access to institutional  
9 programming and ongoing mental health services. A prisoner with  
10 serious mental illness or serious developmental disorder who is  
11 confined in these specialized housing programs shall be evaluated  
12 or monitored by a medical professional at a frequency of not less  
13 than every 12 hours.

14       Sec. 925. By March 1, the department shall report to the  
15 senate and house appropriations subcommittees on corrections, the  
16 senate and house fiscal agencies, the legislative corrections  
17 ombudsman, and the state budget office on the annual number of  
18 prisoners in administrative segregation between October 1, 2016 and  
19 September 30, 2017, and the annual number of prisoners in  
20 administrative segregation between October 1, 2016 and September  
21 30, 2017 who at any time during the current or prior prison term  
22 were diagnosed with serious mental illness or have a developmental  
23 disorder and the number of days each of the prisoners with serious  
24 mental illness or a developmental disorder have been confined to  
25 administrative segregation.

26       Sec. 929. From the funds appropriated in part 1, the  
27 department shall do all of the following:

1           (a) Ensure that any inmate care and control staff in contact  
2 with prisoners less than 18 years of age are adequately trained  
3 with regard to the developmental and mental health needs of  
4 prisoners less than 18 years of age. By April 1, the department  
5 shall report to the senate and house appropriations subcommittees  
6 on corrections, the senate and house fiscal agencies, the  
7 legislative corrections ombudsman, and the state budget office on  
8 the training curriculum used and the number and types of staff  
9 receiving annual training under that curriculum.

10           (b) Provide appropriate placement for prisoners less than 18  
11 years of age who have serious mental illness, serious emotional  
12 disturbance, or a serious developmental disorder and need to be  
13 housed separately from the general population. Prisoners less than  
14 18 years of age who have serious mental illness, serious emotional  
15 disturbance, or a serious developmental disorder shall not be  
16 removed from an existing placement as a punitive response to  
17 behavior caused by their serious mental illness, serious emotional  
18 disturbance, or a serious developmental disorder. Due to persistent  
19 high violence risk or severe disruptive behavior that is  
20 unresponsive to treatment, prisoners less than 18 years of age with  
21 serious emotional disturbance, serious mental illness, or serious  
22 developmental disorders may be placed in secure residential housing  
23 programs that will facilitate access to institutional programming  
24 and ongoing mental health services. A prisoner less than 18 years  
25 of age with serious mental illness, serious emotional disturbance,  
26 or a serious developmental disorder who is confined in these  
27 specialized housing programs shall be evaluated or monitored by a

1 medical professional at a frequency of not less than every 12  
2 hours.

3 (c) Implement a specialized reentry program that recognizes  
4 the needs of prisoners less than 18 years old for supervised  
5 reentry.

6 Sec. 930. The department shall submit a quarterly report to  
7 the senate and house subcommittees on corrections, the senate and  
8 house fiscal agencies, the legislative corrections ombudsman, and  
9 the state budget office on the number of youth in prison. The  
10 report shall include, but not be limited to, the following  
11 information:

12 (a) The total number of inmates under age 18 who are not on  
13 Holmes youthful trainee act status.

14 (b) The total number of inmates under age 18 who are on Holmes  
15 youthful trainee act status.

16 (c) The total number of inmates aged 18 to 23 who are on  
17 Holmes youthful trainee act status.

18 Sec. 937. The department shall not issue a request for  
19 proposal (RFP) for a contract in excess of \$5,000,000.00, unless  
20 the department has first considered issuing a request for  
21 information (RFI) or a request for qualification (RFQ) relative to  
22 that contract to better enable the department to learn more about  
23 the market for the products or services that are the subject of the  
24 future RFP. The department shall notify the department of  
25 technology, management, and budget of the evaluation process used  
26 to determine if an RFI or RFQ was not necessary prior to issuing  
27 the RFP.

1           Sec. 940. (1) Any lease, rental, contract, or other legal  
2 agreement that includes a provision allowing a private person or  
3 entity to use state-owned facilities or other property to conduct a  
4 for-profit business enterprise shall require the lessee to pay fair  
5 market value for the use of the state-owned property.

6           (2) The lease, rental, contract, or other legal agreement  
7 shall also require the party using the property to make a payment  
8 in lieu of taxes to the local jurisdictions that would otherwise  
9 receive property tax revenue, as if the property were not owned by  
10 the state.

11          Sec. 942. The department shall ensure that any contract with a  
12 public or private party to operate a facility to house state  
13 prisoners includes a provision to allow access by both the office  
14 of the legislative auditor general and the office of the  
15 legislative corrections ombudsman to the facility and to  
16 appropriate records and documents related to the operation of the  
17 facility. These access rights for both offices shall be the same  
18 for the contracted facility as for a general state-operated  
19 correctional facility.

20          Sec. 943. The department shall submit a report by May 1 to the  
21 senate and house subcommittees on corrections, the senate and house  
22 fiscal agencies, the legislative corrections ombudsman, and the  
23 state budget office on the actual and projected savings achieved by  
24 closing correctional facilities. Savings amounts shall be itemized  
25 by facility. Information required by this section shall start with  
26 the closure of the Pugsley Correctional Facility, which closed in  
27 September of 2016.

1           Sec. 944. When the department is planning to close a  
2   correctional facility, the department shall fully consider the  
3   potential economic impact of the prison closure on the community  
4   where the facility is located. The department, when weighing all  
5   factors related to the closure of a facility, shall also consider  
6   the impact on the local community where the facility to be closed  
7   is located.

8           Sec. 945. The department shall provide notice to the  
9   legislature and the senate and house fiscal agencies, by July 1, of  
10   its intent to renew or rebid the prisoner food service contract.

11   **MISCELLANEOUS**

12           Sec. 1009. The department shall make an information packet for  
13   the families of incoming prisoners available on the department's  
14   website. The information packet shall be updated by February 1 of  
15   each year. The packet shall provide information on topics  
16   including, but not limited to: how to put money into prisoner  
17   accounts, how to make phone calls or create Jpay email accounts,  
18   how to visit in person, proper procedures for filing complaints or  
19   grievances, the rights of prisoners to physical and mental health  
20   care, how to utilize the offender tracking information system  
21   (OTIS), truth-in-sentencing and how it applies to minimum  
22   sentences, the parole process, and guidance on the importance of  
23   the role of families in the reentry process. The department is  
24   encouraged to partner with external advocacy groups and actual  
25   families of prisoners in the packet-writing process to ensure that  
26   the information is useful and complete.

2 the line items listed in part 1. Fiscal year 2018-2019  
3 appropriations are anticipated to be the same as those for fiscal  
4 year 2017-2018, except that the line items will be adjusted for  
5 changes in caseload and related costs, federal fund match rates,
