10 department shall ensure that any inmate with a diagnosed mental
11 illness is referred to a local mental health care provider for
12 treatment upon parole or discharge. The department shall ensure
13 that the local provider is able and willing to treat the inmate and
14 that the provider is informed of the inmate's current treatment
15 plan including any medications that are currently prescribed to the
16 inmate.

17 Sec. 434. The department shall explore opportunities to
18 collaborate with Michigan colleges and universities on establishing

education, tutoring, manufacturing skills training, participation in
a simulated work environment, mentoring, cognitive therapy groups,
life skills classes, substance abuse recovery groups, fatherhood
programs, classes in understanding the legal system, family literacy,
health and wellness, finance management, employer presentations, and

21 offenders being sentenced to prison as a result of technical
22 probation violations and technical parole violations. To the extent
23 the department has insufficient policies or resources to affect the
24 continued increase in prison commitments among these offender
25 populations, the department shall explore other policy options to
26 allow for program alternatives, including department or OCC-funded
27 programs, local level programs, and programs available through

1 private agencies that may be used as prison alternatives for these
2 offenders.

3 (2) By April 1, the department shall provide a report to the
4 senate and house appropriations subcommittees on corrections, the
5 legislative corrections ombudsman, the senate and house fiscal
6 agencies, and the state budget director on the number of all

1 (d) The number of offenders who participated in the reentry
2 program versus the number of those who did not.

24 ongoing risk to society.

25 **HEALTH CARE**

26 Sec. 802. As a condition of expenditure of the funds

1 appropriated in part 1, the department shall provide the senate and
2 house of representatives appropriations subcommittees on
3 corrections, the legislative corrections ombudsman, the senate and
4 house fiscal agencies, and the state budget director with quarterly
5 reports on physical and mental health care detailing quarterly and
6 fiscal year-to-date expenditures itemized by vendor, allocations,
7 status of payments from contractors to vendors, and projected year-
8 end expenditures from accounts for prisoner health care, mental
9 health care, pharmaceutical services, and durable medical
10 equipment.

11 Sec. 803. (1) The department shall assure that all prisoners,
12 upon any health care treatment, are given the opportunity to sign a
13 release of information form designating a family member or other
14 individual to whom the department shall release records information

22 managed by the department.

23 Sec. 804. The department shall report quarterly to the senate
24 and house appropriations subcommittees on corrections, the
25 legislative corrections ombudsman, the senate and house fiscal
26 agencies, and the state budget director on prisoner health care
27 utilization. The report shall include the number of inpatient

3 quarter, by facility.

4 Sec. 805. If a prisoner aged 26 years or under is determined
5 not to be eligible for Medicaid, the department shall determine
6 whether the prisoner is eligible for dependent health insurance
7 coverage.

8 Sec. 807. The funds appropriated in part 1 for Hepatitis C
9 treatment shall be used only to purchase specialty medication for
10 Hepatitis C treatment in the prison population. In addition to the
11 above appropriation, any rebates received from the medications used
12 shall be used only to purchase specialty medication for Hepatitis C
13 treatment. On a quarterly basis, the department shall issue a
14 report to the senate and house appropriations subcommittees on
15 corrections, the senate and house fiscal agencies, the legislative

4 assist prisoners who may be eligible for Medicaid benefits after
5 release from prison with the Medicaid enrollment process prior to
6 release from prison.

7 (2) The department shall provide the senate and house

3 and mental fitness of all correctional officers. The department
4 shall develop minimum standards to ensure the safety and well-being
5 of all corrections employees and all inmates. The department shall
6 provide appropriate resources if a physical or mental health issue
7 is discovered as a result of the review. Appropriate resources
8 include, but are not limited to, substance abuse screening and
9 treatment and professional counseling services.

<<Sec. 902. From the funds appropriated in part 1 for future
facility, at least \$1,000,000.00 shall be used for staff transition
costs.>>

10 Sec. 904. The department shall calculate the per prisoner/per
11 day cost for each prisoner security custody level. This calculation
12 shall include all actual direct and indirect costs for the previous
13 fiscal year, including, but not limited to, the value of services
14 provided to the department by other state agencies and the
15 allocation of statewide legacy costs. To calculate the per
16 prisoner/per day costs, the department shall divide these direct
17 and indirect costs by the average daily population for each custody
18 level. For multilevel facilities, the indirect costs that cannot be
19 accurately allocated to each custody level can be included in the
20 calculation on a per-prisoner basis for each facility. A report
21 summarizing these calculations and the direct and indirect costs
22 included in them shall be submitted to the senate and house
23 appropriations subcommittees on corrections, the legislative
24 corrections ombudsman, the senate and house fiscal agencies, and
25 the state budget director not later than December 15.

26 Sec. 906. Any local unit of government or private nonprofit
27 organization that contracts with the department for public works

1 services shall be responsible for financing the entire cost of such
2 an agreement.

3 Sec. 907. The department shall report by March 1 to the senate
4 and house appropriations subcommittees on corrections, the

11 vacancies, by program and facility.

12 (b) The number of prisoners enrolled in each program, the
13 number of prisoners completing each program, the number of
14 prisoners who do not complete each program and are not subsequently
15 reenrolled, and the reason for not completing the program, the
16 number of prisoners transferred to another facility while enrolled
17 in a program and the reason for transfer, the number of prisoners
18 enrolled who are repeating the program, and the number of prisoners
19 on waiting lists for each program, all itemized by facility.

20 (c) The steps the department has undertaken to improve
21 programs, track records, accommodate transfers and prisoners with
22 health care needs, and reduce waiting lists.

23 (d) The number of prisoners paroled without a high school
24 diploma and the number of prisoners paroled without a high school
25 equivalency.

26 (e) An explanation of the value and purpose of each program,
27 for example, to improve employability, reduce recidivism, reduce

1 prisoner idleness, or some combination of these and other factors.

2 (f) An identification of program outcomes for each academic
3 and vocational program.

4 (g) The number of prisoners not paroled at their earliest
5 release date due to lack of a high school equivalency, and the
6 reason those prisoners have not obtained a high school equivalency.

7 Sec. 908. From the funds appropriated in part 1, the
8 department shall establish a pilot online career high school
9 education program to serve up to 400 inmates through a regionally
10 accredited public or private school district that offers career-
11 based online high school diplomas designed to prepare adult inmates
12 for transition into the workplace. The district chosen for the
13 pilot shall be paid a specified amount per inmate per course
14 successfully completed by the inmate. The department may use
15 federal funds provided to educate inmates to expand this pilot
16 beyond 400 inmates. The department shall provide an initial report
17 no later than June 1, 2018, regarding the progress of the inmates
18 in the online high school diploma and career certificate programs
19 to the senate and house appropriations subcommittees on
20 corrections, the legislative corrections ombudsman, the senate and
21 house fiscal agencies, and the state budget director.

22 Sec. 909. From the funds appropriated in part 1, the
23 department shall focus on providing career-based educational
24 programming for prisoners, to include vocational trade programs and
25 employment readiness programs.

26 Sec. 910. The department shall allow the Michigan Braille
27 transcribing fund program to operate at its current location. The

1 donation of the building by the Michigan Braille transcribing fund
2 at the G. Robert Cotton Correctional Facility in Jackson is
3 acknowledged and appreciated. The department shall continue to
4 encourage the Michigan Braille transcribing fund program to produce
5 high-quality materials for use by the visually impaired.

6 Sec. 911. By March 1, the department shall report to the
7 senate and house appropriations subcommittees on corrections, the

13 preceding calendar year.

14 Sec. 912. The department shall report to the senate and house
15 appropriations subcommittees on corrections, the legislative
16 corrections ombudsman, the senate and house fiscal agencies, and
17 the state budget director by March 1 on the ratio of correctional
18 officers to prisoners for each correctional institution, the ratio
19 of shift command staff to line custody staff, and the ratio of
20 noncustody institutional staff to prisoners for each correctional
21 institution.

22 Sec. 913. (1) From the funds appropriated in part 1, the
23 department shall focus on providing required programming to
24 prisoners who are past their earliest release date because of not
25 having received the required programming. Programming includes, but
26 is not limited to, violence prevention programming, assaultive
27 offender programming, sexual offender programming, substance abuse

1 treatment programming, thinking for a change programming, and any
2 other programming that is required as a condition of parole.

3 (2) It is the intent of the legislature that any prisoner
4 required to complete a violence prevention program, sexual offender
5 program, or other program as a condition of parole shall be placed
6 on a waiting list for the appropriate programming upon entrance to
7 prison and transferred to a facility where that program is
8 available in order to accomplish timely completion of that program
9 prior to the expiration of his or her minimum sentence and
10 eligibility for parole. Nothing in this section should be deemed to
11 make parole denial appealable in court.

12 (3) The department shall submit a quarterly report to the
13 members of the senate and house appropriations subcommittees on
14 corrections, the senate and house fiscal agencies, the state budget
15 director, and the legislative corrections ombudsman detailing
16 enrollment in sex offender programming, assaultive offender
17 programming, violent offender programming, and thinking for a
18 change programming. At a minimum, the report shall include the
19 following:

20 (a) A full accounting, from the date of entrance to prison, of
21 the number of individuals who are required to complete the
22 programming, but have not yet done so.

23 (b) The number of individuals who have reached their earliest
24 release date, but who have not completed required programming.

25 (c) A plan of action for addressing any waiting lists or
26 backlogs for programming that may exist.

27 Sec. 924. The department shall evaluate all prisoners at

1 intake for substance abuse disorders, serious developmental
2 disorders, serious mental illness, and other mental health
3 disorders. Prisoners with serious mental illness or serious
4 developmental disorders shall not be removed from the general
5 population as a punitive response to behavior caused by their
6 serious mental illness or serious developmental disorder. Due to
7 persistent high violence risk or severe disruptive behavior that is
8 unresponsive to treatment, prisoners with serious mental illness or
9 serious developmental disorders may be placed in secure residential
10 housing programs that will facilitate access to institutional
11 programming and ongoing mental health services. A prisoner with
12 serious mental illness or serious developmental disorder who is
13 confined in these specialized housing programs shall be evaluated
14 or monitored by a medical professional at a frequency of not less
15 than every 12 hours.

16 Sec. 925. By March 1, the department shall report to the
17 senate and house appropriations subcommittees on corrections, the
18 senate and house fiscal agencies, the legislative corrections
19 ombudsman, and the state budget director on the annual number of
20 prisoners in administrative segregation between October 1, 2016 and
21 September 30, 2017, and the annual number of prisoners in
22 administrative segregation between October 1, 2016 and September
23 30, 2017 who at any time during the current or prior prison term
24 were diagnosed with serious mental illness or have a developmental
25 disorder and the number of days each of the prisoners with serious
26 mental illness or a developmental disorder have been confined to
27 administrative segregation.

1 Sec. 929. From the funds appropriated in part 1, the
2 department shall do all of the following:

3 (a) Ensure that any inmate care and control staff in contact

5 with regard to the developmental and mental health needs of
6 prisoners less than 18 years of age. By April 1, the department
7 shall report to the senate and house appropriations subcommittees
8 on corrections, the senate and house fiscal agencies, and the state
9 budget director on the training curriculum used and the number and
10 types of staff receiving annual training under that curriculum.

11 (b) Provide appropriate placement for prisoners less than 18
12 years of age who have serious mental illness, serious emotional
13 disturbance, or a serious developmental disorder and need to be
14 housed separately from the general population. Prisoners less than
15 18 years of age who have serious mental illness, serious emotional
16 disturbance, or a serious developmental disorder shall not be
17 removed from an existing placement as a punitive response to
18 behavior caused by their serious mental illness, serious emotional
19 disturbance, or a serious developmental disorder. Due to persistent
20 high violence risk or severe disruptive behavior that is
21 unresponsive to treatment, prisoners less than 18 years of age with
22 serious emotional disturbance, serious mental illness, or serious
23 developmental disorders may be placed in secure residential housing
24 programs that will facilitate access to institutional programming
25 and ongoing mental health services. A prisoner less than 18 years
26 of age with serious mental illness, serious emotional disturbance,
27 or a serious developmental disorder who is confined in these

1 specialized housing programs shall be evaluated or monitored by a
2 medical professional at a frequency of not less than every 12
3 hours.

4 (c) Implement a specialized reentry program that recognizes
5 the needs of prisoners less than 18 years old for supervised
6 reentry.

7 Sec. 937. The department shall not issue a request for
8 proposal (RFP) for a contract in excess of \$5,000,000.00, unless
9 the department has first considered issuing a request for
10 information (RFI) or a request for qualification (RFQ) relative to
11 that contract to better enable the department to learn more about
12 the market for the products or services that are the subject of the
13 future RFP. The department shall notify the department of
14 technology, management, and budget of the evaluation process used
15 to determine if an RFI or RFQ was not necessary prior to issuing
16 the RFP.

17 Sec. 940. (1) Any lease, rental, contract, or other legal
18 agreement that includes a provision allowing a private person or
19 entity to use state-owned facilities or other property to conduct a
20 for-profit business enterprise shall require the lessee to pay fair
21 market value for the use of the state-owned property.

22 (2) The lease, rental, contract, or other legal agreement
23 shall also require the party using the property to make a payment
24 in lieu of taxes to the local jurisdictions that would otherwise
25 receive property tax revenue, as if the property were not owned by
26 the state.

27 Sec. 942. The department shall ensure that any contract with a

1 public or private party to operate a facility to house state
2 prisoners includes a provision to allow access by both the office
3 of the legislative auditor general and the office of the
4 legislative corrections ombudsman to the facility and to
5 appropriate records and documents related to the operation of the
6 facility. These access rights for both offices shall be the same
7 for the contracted facility as for a general state-operated
8 correctional facility.

9 **MISCELLANEOUS**

10 Sec. 1009. The department shall make an information packet for
11 the families of incoming prisoners available on the department's
12 website. The information packet shall be updated by February 1 of
13 each year. The packet shall provide information on topics
14 including, but not limited to: how to put money into prisoner
15 accounts, how to make phone calls or create Jpay email accounts,
16 how to visit in person, proper procedures for filing complaints or
17 grievances, the rights of prisoners to physical and mental health
18 care, how to utilize the offender tracking information system
19 (OTIS), truth-in-sentencing and how it applies to minimum
20 sentences, the parole process, and guidance on the importance of
21 the role of families in the reentry process. The department is
22 encouraged to partner with external advocacy groups and actual
23 families of prisoners in the packet-writing process to ensure that
24 the information is useful and complete.

25 Sec. 1010. The department shall provide a place of worship for
26 inmates of all faiths who are housed within each facility. Each

1 place of worship must allow separate time for inmates of each faith
2 to worship and have all necessary facilities and items needed for
3 services.

4 Sec. 1011. The department may accept in-kind services and
5 equipment donations to facilitate the addition of a cable network
6 that provides programming that will address the religious needs of
7 incarcerated individuals. This network may be a cable television
8 network that presently reaches the majority of households in the
9 United States. A bilingual channel affiliated with this network may
10 also be added to department programming to assist the religious
11 needs of Spanish-speaking inmates. The addition of these channels
12 shall be at no additional cost to this state.

13 Sec. 1012. The department shall complete a study to determine
14 the benefits of family participation to the well-being of inmates
15 and facilities. The benefits studied shall include, but are not
16 limited to, decreases in behavior tickets, reduction of critical
17 incidents, granting of parole on first hearing, and reduced
18 recidivism upon release. By March 1, the department shall report
19 the study results to the senate and house appropriations
20 subcommittees on corrections, the legislative corrections
21 ombudsman, the senate and house fiscal agencies, and the state
22 budget director. If the study finds beneficial effects from family
23 involvement for inmates, the department shall make it a priority to
24 house prisoners in the appropriate security level facility that is
25 closest to the place to which they will be returning.

26 Sec. 1013. From the funds appropriated in part 1, priority may
27 be given to funding reentry or rehabilitation programs that have

1 been demonstrated to reduce prison violence and recidivism,
2 including faith-based initiatives.

3 PART 2A

4 PROVISIONS CONCERNING ANTICIPATED APPROPRIATIONS

5 FOR FISCAL YEAR 2018-2019

6 **GENERAL SECTIONS**

7 Sec. 1201. It is the intent of the legislature to provide
8 appropriations for the fiscal year ending on September 30, 2019 for
9 the line items listed in part 1. The fiscal year 2018-2019
10 appropriations are anticipated to be the same as those for fiscal
11 year 2017-2018, except that the line items will be adjusted for
12 changes in caseload and related costs, federal fund match rates,
13 economic factors, and available revenue. These adjustments will be
14 determined after the January 2018 consensus revenue estimating
15 conference.
