WILDLIFE VIOLATOR COMPACT

Bill/Sponsor **HOUSE BILL 5021 H-1**, Rep. Howard C. Walker

House Committee Conservation and Outdoor Recreation

Analysis

Summary

This bill would establish a wildlife violator compact with other states. The Department of Natural Resources would be responsible for the maintenance of a violator data base to be shared with regulatory agencies in other states. This same information from other states would be available to the State of Michigan. Under such a compact, it would be possible to deny a hunting or fishing license to a person found to have violated a game or fish law in another state.

Fiscal Impact

There would be no fiscal impact on the State or on local governmental units.
