A bill to amend 1971 PA 140, entitled
"Glenn Steil state revenue sharing act of 1971,"
(MCL 141.901 to 141.921) by adding section 13e.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 13e. Notwithstanding any other provision of law to the
2 contrary, for state fiscal years after the 2003-2004 state fiscal
3 year if the total amount available for distribution under
4 sections 11 and 13 is greater than the amount actually
5 distributed under sections 11 and 13 in state fiscal year
6 2003-2004, but less than or equal to \$844,170,000.00, an
7 additional distribution shall be made to each city, village,
8 township, and county based on the following computation:

9 (a) For each city, village, township, and county, determine
10 the total amount distributed under sections 11, 12, and 13 to
11 each city, village, township, and county in state fiscal year

1 2002-2003 and divide that amount by the total distributed to all
2 cities, villages, townships, and counties under sections 11, 12,
3 and 13 in state fiscal year 2002-2003.

4 (b) For each state fiscal year after the 2003-2004 state
5 fiscal year, determine the amount available for distribution
6 under this section by subtracting the total actual amount
7 distributed under sections 11 and 13 in state fiscal year
8 2003-2004 from the amount available for distribution under
9 sections 11 and 13 in the current state fiscal year. The amount
10 available under this section for distribution shall not exceed
11 the difference between \$844,170,000.00 and the total amount
12 distributed in state fiscal year 2003-2004 under sections 11 and
13 13. If the amount available for distribution under this
14 subdivision is less than zero, no amount is available for
15 distribution for that state fiscal year.

16 (c) For each state fiscal year after the 2003-2004 state
17 fiscal year, each city, village, township, and county shall
18 receive a distribution equal to the percentage determined under
19 subdivision (a) multiplied by the amount determined under
20 subdivision (b).

21 (d) The total distributed under subdivision (b) and sections
22 12 and 13 to a city with a population of 750,000 or more shall
23 not exceed \$333,900,000.00.

24 (e) For state fiscal years after the 2003-2004 state fiscal
25 year in which an additional amount is available for distribution
26 based on the operation of subdivision (d), any additional amount
27 shall be distributed to each city, village, and township with

1 populations of less than 750,000 and each county and the
2 distribution shall be calculated by determining the total amount
3 distributed under sections 11, 12, and 13 to each city, village,
4 and township with populations less than 750,000 and each county
5 in state fiscal year 2002-2003 and dividing that amount by the
6 total distributed to all cities, villages, and townships with
7 populations less than 750,000 and all counties under sections 11,
8 12, and 13 in state fiscal year 2002-2003 and then multiplying
9 that amount by the additional amount available based on the
10 operation of subdivision (d).
