Pastor Matt Rohde, Pastor of Springport Bible Church in Springport, offered the following invocation:

“Dear Lord and heavenly Father. We lift up the great state of Michigan and the leaders in this room in Jesus name. Lord we bind and rebuke any and all corruption right now. We break the power of the enemy in the name of Jesus so that we may live a quiet and peaceful life in all godliness and honesty. Lord we ask that skillful and godly wisdom will enter and overflow in the heart of all of the leaders in this room. We pray that knowledge shall be pleasant to them, that discretion will watch over them, and that understanding will keep those in authority and places of leadership and deliver them from the ways of evil. We declare that the upright shall dwell in the government. That men and women of integrity blameless and complete in Your sight shall remain in their positions. We declare that the wicked shall be cut off and that fraud or treachery shall be rooted out in Jesus name. Lord we ask that You bind the works of the wicked and have them removed from among the good. We declare that loving kindness and mercy, truth, and faithfulness preserve those in authority and their offices. Like a river, Lord we ask that You direct the decisions made by the leadership in this room. We ask that the honest and just men and women in authority have discernment, understanding, and knowledge so that they remain in their positions for long durations and that the state in which we reside will remain stable. We declare that the righteous will be in authority in the state of Michigan and that their offices shall be established and made secure by righteousness. We thank You for Your truth and bind any plans to stop Your good news from being spread to those in the state of Michigan. And last of all Lord I pray for civility and understanding as things are discussed and voted upon in this room. The word of God instructs us that we are to love God and love people. Even though we might disagree with each-other let us still show respect and love for one another. In Your heavenly holy name we pray amen.”

A resolution to declare September 15, 2023, as Concussion Awareness Day in the state of Michigan.

Whereas, Mild traumatic brain injury, otherwise known as a concussion, is an important health concern for children, teens, and adults; and

Whereas, According to information from the Centers for Disease Control and Prevention: there are as many as 1,600,000 to 3,800,000 sports-related concussions annually; as many as 5,300,000 individuals live with a disability because of a traumatic brain injury, between 2010 and 2016, an estimated 2,000,000 children under age 18 visited an emergency department because of a traumatic brain injury sustained during sports or recreation-related activities, and an estimated 283,000 children seek care in United States emergency departments each year for a sport- or recreation-related traumatic brain injury, with traumatic brain injuries sustained in contact sports accounting for approximately 45 percent of these visits; and

Whereas, Research suggests that many children with a traumatic brain injury do not seek care in emergency departments or do not seek care at all, resulting in a significant underestimate of prevalence; and

Whereas, The seriousness of concussions should not be minimized in athletics. Return-to-play and return-to-learn protocols can help ensure recovery; and

Whereas, Concussions can affect physical, mental, and social health, and a greater awareness and understanding of proper diagnosis and management of concussions is critical to improved outcomes; now, therefore, be it

Messages from the Governor

The following message from the Governor was received September 14, 2023 and read:

EXECUTIVE ORDER

No. 2023-10

Declaration of State of Emergency

On August 25, 2023, I issued Executive Order 2023-7 declaring a state of emergency for the counties of Wayne and Monroe due to storms that brought heavy rain and spawned seven tornadoes in different parts of the state. On August 28th, Executive Order 2023-8 extended the state of emergency to the counties of Eaton, Livingston, and Ingham and to the city of South Lyon (in Oakland County); then, on August 30th, Executive Order 2023-9 extended the state of emergency to the counties of Kent and Ionia. The same storms also caused widespread damage in the city of New Baltimore and Chesterfield Township in Macomb County resulting in road and bridge closures; downed trees and power lines; damage or flooding to building structures, embankments, and road surfaces; overwhelmed storm water and sewer systems; and/or deposits of silt and debris.

Local officials in the impacted jurisdictions have taken several actions to respond to the situation, including but not limited to, activating the emergency response and recovery aspects of their emergency operations plans, issuing emergency public information, and otherwise utilizing local resources to address these conditions. Despite these measures, local resources are insufficient to respond to the storm damage. State assistance is necessary to effectively respond to, and recover from, the impacts of these storms.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor. Under the Emergency Management Act, 1976 PA 390, as amended, MCL 30.403(4), “[t]he governor shall, by executive order or proclamation, declare a state of emergency if he or she finds that an emergency has occurred or that the threat of an emergency exists.”

Therefore, acting under the Michigan Constitution of 1963 and Michigan law, including the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 to 30.421, I order the following:

1. In addition to the jurisdictions named in Executive Orders 2023-7, 2023-8, and 2023-9, a state of emergency is also declared for the city of New Baltimore and Chesterfield Township in Macomb County.
2. The Emergency Management and Homeland Security Division of the Department of State Police shall coordinate and maximize all state efforts and may call upon all state departments to utilize available resources to assist in the designated areas pursuant to the Michigan Emergency Management Plan.
3. The state of emergency is terminated at such time as the threats to public health, safety, and property caused by the emergency no longer exist, and appropriate programs have been implemented to recover from the effects of this emergency, but in no case later than October 11, 2023, unless extended as provided by the Emergency Management Act.

Date: September 13, 2023

Time: 8:25 a.m.
